

Kansas Academy of Science

Board Meeting

October 20, 2012

Following a Fall field trip to the Kansas Underground Salt Museum in Hutchinson, the KAS Board met at Dillon Park in Hutchinson, Kansas. Those present were Duane Hinton, Eric Trump, Richard Schroeder, Leland Russell, Brian Maricle, and Don Whittemore.

The Meeting was called to order by President Duane Hinton at 3:40 PM.

President Hinton reported that Amy Strong is sending a junior high age student to Washington, DC for the Junior Academy of Science. She requested that KAS provide \$300 to help defray costs of meeting support for students. The board unanimously approved the request.

The Secretary's report and the Treasurer's Report were read and approved.

The *Transactions* was late and contained errors. One article will be reprinted. There will be an article on the history of the KAS.

It was reported that Mark LaBarge was making good progress on organizing the Annual Meeting for April 5-6 at Johnson County Community College. The rooms and speakers have been confirmed.

Ideas for the next Fall Field Trip were discussed. One possibility would be to go to the Quivira Wildlife Refuge near Great Bend and observe the annual migration of Sandhill Cranes.

The next board meeting is scheduled for January 26, 2013 at JCCC.

Meeting adjourned.

Eric Trump

Vice President
